Throughout the course of the day Caylan was an instrumental member of the team and an excellent utility player demonstrating his ability to play multiple positions when the team required.

Although Caylan is still of junior age and was competing against senior students, his enthusiasm, skills and endurance throughout the day make him a strong contestant for future Sydney West teams.

OPENS BOYS BASKETBALL TEAM

Mr Evan Shiel
BBHS Basketball Coach

The Blacktown Boys Open Basketball team took on Kellyville in a home game on Tuesday the 28th of February. The weather in the morning was looking very ominous with rain being forecast for the whole day. However, the skies cleared around 2pm and the court dried in time for the game at 3:45. The team consisted of players from years 10, 11 and 12. In the 10 years of coaching the school team the skills and height we have in this year's team is the best yet. Kellyville fought hard the entire game but were defeated by the boys 37 to 20.

Congratulations go to Yuvanraj Mahendran who was Player of the Match and Alan Reji, our School Captain, in being awarded Most Improved. We are still awaiting the results of other games to find out who we are to play in the next round.
